

**The first Transnational Project Meeting
in Poland
at Zespół Szkół in Wolbrom
17th - 19th October, 2016**

The purpose of the meeting was to implement and finalize details of the project number 2016-1-PL01-KA219-026180 "Save Energy Save The World" according to the structure of the project.

All coordinators, headmasters and teachers from partner schools took part in this meeting. The meeting was running according to the timetable prepared by the coordinator of the project and the host country, Poland. The project team took the decision about:

1. The date of the 1st LTT meeting in Bulgaria. It will be held between 20-24 March 2017 with students. The day 19th of March will be the arrival day and 25th of March will be the departure day.
2. The project team after considering a difficult, political situation in Turkey decided to exchange LTT meeting with students to Turkey for the Transnational Project Meeting which was previously in Romania. According to this decision the 3rd LTT meeting (with students) will be held in April 2018 in Romania and the 3rd Transnational Project Meeting will be in Turkey in June 2018.
3. The project team divided a part of project activities into the school partners according to the structure of the project.
